Dear Play4All Park Committee,

The members of Veterans of Foreign War, Post 7244 would like to say Thank You! It is with great excitement and anticipation our veteran's anxiously wait for the opening of this amazing park built for people of all abilities. Many of our members will benefit from this park due to it being inclusive and accessible.

It will be a free, safe, and an accessible place for our veterans and their families to go for fun, sports, picnics, entertainment, and relaxation.

The Play 4 All Park in Vacaville has been masterly planned and executed to allow some of our most challenged veterans an equal opportunity to enjoy this Vacaville treasure.

Again, thank you for your dedication and commitment to our community. Should you have any questions, please contact me at the phone number listed below.

Sincerely,

*Shawn McMahan*
